

CRABTOWNE BASSMASTERS

CHARTER

THE CRABTOWNE BASSMASTERS OF ANNAPOLIS, MARYLAND IS A CHAPTER OF THE MARYLAND B.A.S.S. FEDERATION AND AFFILIATED WITH THE BASS ANGLERS SPORTSMAN SOCIETY (B.A.S.S.). THIS CHARTER AND ITS BYLAWS REPRESENT THE DESIRES OF THE MEMBERSHIP.

PURPOSE: To provide members an opportunity to fish in a competitive, yet friendly environment, to gain a more knowledgeable proficiency of bass angling, to promote good sportsmanship among chapter members, and to promote environmental protection and awareness.

GOALS: To help each chapter member become a more successful bass angler, to give chapter members an opportunity to fish more often at a moderate cost, to preserve and improve our natural resources, and to establish a communication link with the bass fishing community.

Voted & Revised on January 12, 2010

8. General Information

CRABTOWNE BASSMASTERS

ARTICLE 1 – Membership

Section 1-1: Dues

- a) All members are required to be 'members in good standing' with B.A.S.S.
- b) Club members are required to pay annual Maryland B.A.S.S. Federation Nation and B.A.S.S. dues of \$20.00 and \$30.00 respectively, as well as Club dues of \$30.00.
- c) Total annual dues: \$80.00
- d) Dues for the upcoming year are payable in full by the December meeting.
- e) New member dues are payable immediately.

Section 1-2: New Members

- a) Any person desiring membership must be sponsored by a current club member, become a member in good standing of B.A.S.S., and be accepted by the general membership by vote.
- b) Potential new members must participate in a minimum of 3 functions, including at least one tournament before they can be voted in as a new member.
- c) A simple majority vote is required to confirm a new member.

Section 1-3: Number of Members

- a) Club membership shall be limited to twenty (20) members, consisting of at least 60% boat owners. (See Boater/Non-Boater ratio chart in the "General Information" section.)

Section 1-4: Attire

- a) Club members are required to purchase a club hat. Members are also encouraged to purchase a club shirt. Where practical to do so, club hats should be worn during tournaments. At a minimum and where practical, members are required to wear club hats during ooze-off and during weigh-in.

Section 1-5: Inactive Membership

- a) Members may request to be placed on an inactive membership status. Inactive status will be granted after the member has provided an explanation to the membership and the request has been approved by a majority vote. Inactive members do not pay dues. Inactive members are permitted to attend meeting, activities and fish in club tournaments as a 'guest'. Inactive members do not have voting rights.

CRABTOWNE BASSMASTERS

ARTICLE 2 – Meetings

- a) Meetings are held on the second Tuesday of every month at the Mayo Police Station at 7:00 pm.
- b) Attendance at meetings is expected. If you are unable to attend a meeting, you are required to notify a club officer.
- c) A quorum is required at club meetings to conduct club business. A quorum is defined as over 50% of club membership, including one (1) club officer.
- d) Meetings shall be conducted in an orderly manner.
- e) Should any member miss 50% of club functions (meetings/events/tournaments) for a calendar year, they will be brought before the club for review and possible revocation of membership. The member under review will not be present during the review discussion.
- f) If a member who is scheduled to represent the club at an MBF meeting fails to notify a Club Officer in a timely manner that they will not make the meeting, they will be assessed a \$25 fine.

CRABTOWNE BASSMASTERS

ARTICLE 3 – Code of Conduct

Club members should be of good character. A club member who does not have or maintain good character, or who conducts himself in such a manner as to bring discredit on this Club, or participates in a club tournament in an illegal, unsafe, or unsportsmanlike manner, will be brought before the club members at the next meeting for review of membership status. The club will vote by 'majority vote' on the status of the individual's membership. The member under review will not be present during the review discussion.

CRABTOWNE BASSMASTERS

ARTICLE 4 – Officers / Duties

- a) Election of Club officers shall be held annually, on the second Tuesday in December. A simple majority vote of members present is required to elect such officers. Nominations for Club officers should be made at the November meeting.
- b) Term of duty starts January 1st and concludes December 31st. New officers will assume duties starting with the meeting following the elections.

President

- c) This position provides the Chapter with leadership and oversees the Chapter meetings. He presides over nominations and the election of new officers. The President will also oversee the procurement of plaques, trophies, and other club merchandise. He is also responsible for ensuring representation is present for MBF meetings. He may vote on club matters at the discretion of the club members. He will also maintain club records & property.

Vice President

- d) This position assumes a leadership role in the absence of the club president. He is also responsible for public relations for the club, interviewing prospective new members, overseeing the treasurer reports and the submission of 'club news' to the MBF.

Secretary / Treasurer

- e) This position is responsible for the recording attendance during meetings, maintaining the club roster, recording meeting minutes, distribution of club correspondence and the update of the By-laws. This position is also responsible for accounting of club funds and the collection/distribution of club moneys.

Tournament Chairman

- f) This position is responsible for scheduling all tournaments, administering the ooze-off, weighing, measuring, and recording of fish. In the event a member cancels prior to a planned tournament, this position is responsible for rebalancing the 'pairings' as required. This position is also responsible for enforcing tournament fishing rules and overseeing tournament related grievances.

Safety Officer

- g) This position is responsible for caucusing with the President and Tournament Chairman regarding decisions to cancel, postpone or "early call" tournaments due to inclement weather or other safety related matters. Also, at the 1st tournament or earliest opportunity, conducts annual and spot safety inspections of boats used during club tournaments to include, but not limited to, USCG regulated safety devices and requirements and current insurance coverage.

Historian

- h) This position is responsible for picture taking, maintaining a yearly picture album of events and tournaments, as well as a brief narrative of each occasion and reports and records of all tournaments and club events.

CRABTOWNE BASSMASTERS

ARTICLE 5 – Tournament Fishing

Section 5-1: Tournament Summary/Selection

A 'draft' tournament schedule will be provided at the January meeting, and finalized by a member vote at the February meeting. There will not be an 'entry fee' for each tournament, but members are encouraged to participate in a \$5 Lunker Pot. Tournament scoring will be based on a 'point system' for position placed during each event. Mr. BASS will be based on attained cumulative points for the year.

The selection of tournament dates and locations will be administered by the Tournament Director.

- 1 - The membership will decide how many tournaments will occur during the season.
- 2 - The membership will be solicited for preferred tournament locations
- 3 - Members will submit 'unavailable dates' to the TD for consideration.
- 4 - Tournaments will not be scheduled to conflict with the MBF tournament trail, Mr. BASS or the SQT.

Steps 1, 2 and 3 occur in December of the previous year

Section 5-2: Drawing and Pairing

- a) Drawing and pairing will occur at the regularly scheduled meeting immediately before the tournament date (i.e. Tournament date: April 8th 06, the draw occurs at March meeting: March 14th).
- b) Members who wish to 'fish' the tournament must declare their intentions (yes or no) at this time.
- c) If a member cannot attend the meeting, their intentions must be conveyed prior to the meeting to a fellow club officer. Failure to communicate intentions assumes the individual does not plan to fish.
- d) Members who plan to fish in a tournament should declare their intentions as either 'boater' or 'non-boater' status.
- e) Boaters will be drawn first, in order of ooze-off position. Non-Boaters will then be drawn in order, and matched to a Boater (i.e. Boater #1 to Non-Boater #1, Boater #2 to Non-Boater #2, etc.).
- f) If there are too many boaters, the first names drawn will go as boaters, and the remaining boaters will be added to the non-boater draw.
- g) Should a non-boater be paired with the same boater from the previous tournament, the non-boater will swap positions with the next non-boater selected. Should the repeat pairing occur with the last non-boater selected, the non-boater will be swapped with the previous non-boater.

Section 5-3: Boater Preference

- a) Should a 'declared boater' get selected as a 'non-boater' during a tournament draw, that boater will be guaranteed a boater position in the following scheduled tournament.
- b) The boater will participate in the 'draw' for the purposes of determining 'ooze-off' positioning.

Section 5-4: Guest Participation

- a) Guest will be permitted to fish in club tournaments.
- b) Guests must be 'declared' at the meeting when the drawing and pairings occur. Should the draw result in a situation where a member (boater or non-boater) does not have a partner, the guest would not be allowed to attend that tournament.
- c) Should the tournament draw result in a Boater fishing alone, that Boater may be allowed to bring a guest to fish in the tournament.
- d) Once a guest is invited to fish after the draw, that guest cannot be uninvited to accommodate other changes in pairings due to cancellations.
- e) A club member will not be excluded from a tournament due to guest participation, even if it means fishing 'three in a boat'
- f) Guests who catch fish will be allowed to weigh-in, but their weight will not be tallied into the club standings for that tournament

Section 5-5: Cancellations / Late Requests to Fish

- a) Any member unable to fish a tournament must notify his partner and the Tournament Chairman by 10:00 PM of the Wednesday preceding the tournament. In the event any member fails to do so, he will still be responsible for his half of the costs for that tournament.
- b) If a member cancels, and it results in a Boater fishing alone, the amount is to be no more than \$30.00 and payable to the Boater.
- c) Last minute requests to 'fish' will be honored (as a non-boater only), provided the member does not make such requests more than two times per year. Third requests will be denied.

Section 5-6: Rally Points & Caravanning

- a) Members are expected to meet at the 'Rally Points' and 'caravan' to the tournament location. In those cases where 'doubling back' will result in extended driving time, members can meet at the tournament location.
- b) At the conclusion of the weigh-in, members are expected to caravan from the tournament site.

Section 5-7: Tournament Rules

- a) Fish must be Largemouth and/or Smallmouth Bass. (covered by MBF and BASS rules)
- b) Fish must be caught by rod and reel in designated tournament waters during the tournament time frame to count for weight. (covered by MBF and BASS)
- c) Fish must be the required length from the tip of the nose (mouth closed) to the end of the tail (swept). Measurements will be made on the Club's keeper board with the Tournament Chairman making the final decision.
- d) Any member at the time of the weigh-in, with a bass less than the state regulation requirement, loses their biggest fish for the day of that tournament.
- e) All fish must be weighed in on the Club scales (if available) to count for weight.
- f) Members who are running late for muster or ooze-off should make every effort to notify club members of their expected arrival time. Late members are not allowed to start tournament fishing until they have checked-in with a club member other than their partner for that event.
- g) There will be a 1 lb per minute late penalty for any member who is late for weigh-in. After 15 minutes, any late member loses all weight for that tournament.
- h) No more than the state legal limit of fish of bass species (largemouth/smallmouth bass) may be weighed in, or in any members' possession at any time during a tournament.
- i) All fish must be caught on artificial lures. (covered by MBF and BASS rules)
- j) No alcoholic beverages or illegal drugs will be consumed during the time frame of the tournament. (covered by MBF and BASS)
- k) All club members must remain at the launch site until all present are ready to ooze-off and the tournament chairman has announced a tournament starting and ending time.
- l) Boats must leave the launch site in an orderly manner, in order of 'Draw' position. The last boat number drawn will designate 'control' for the ooze-off and maintain a 15 second interval between boats as they ooze-off.
- m) Members will give other members, while fishing, ample fishing area and not infringe upon evident fishing site. A 25 yard minimum behind the angler is a good rule of thumb.
- n) At the conclusion of the tournament, once weigh-in is declared, the cleaning of boats ceases. All members are expected to remain at launch site facility until weigh-in has concluded, all boats are loaded, and all members are ready to leave.
- o) Any member leaving a tournament for an emergency prior to the weigh-in must inform another member before doing so, or leave a note on one of the club member vehicles.
- p) For each dead fished weighed in, the following penalties will be assessed: 1 dead fish – 4 ozs; 2 dead fish – 10 oz; 3 dead fish – 18 oz; 4 dead fish – 28 oz; 5 dead fish – 40 oz.
- q) No culling of dead fish
- r) Any fishing situation not covered by the rules within this document will be covered by the fishing rules of the Maryland Bass Federation and B.A.S.S., as well as Local & State regulations.
- s) Boaters are required to have a minimum of \$100,000.00 liability boat insurance and a copy of the insurance policy on the boat.

Section 5-8: Points System

Individual Tournaments

- a) Starting at 20 points, each participant receives points in descending one (1) point increments based on the most weight caught.
- b) Any individual who leaves early and is not present for weigh-in will receive 'points' consistent with catching 'zero' fish.
- c) Ties for weight share the average of the points for the range of the places they would have covered (i.e.: three way ties for second - 19, 18, and 17 would be 18 points for all three finishers.). This includes ties for participants who did not catch a fish. Their places would start the next increment down from the last participant who weighed in a fish.
- d) Bonus Points: Each participant receives two (2) bonus points for each five (5) pounds of fish caught per tournament day.

Mr. BASS

- a) Total of placement points and bonus points for all tournaments fished during the year.
- b) Tie will be broken by using the following order
 - 1) Total weight
 - 2) Number of fish
 - 3) Largest fish
 - 4) Highest number of lead finishes (most 1st, 2nds, etc.)
 - 5) Coin Toss

Section 5-9: Lunker Pot

Club tournaments will have an optional "Lunker Pot" for each tournament. The cost of participation is \$5, payable on tournament day. The member who catches the largest fish (by weight) of that tournament will be awarded 75% of the moneys collected (rounded up to the next whole dollar). The remaining 25% will go towards an "end of year" fund that will be awarded to the member who catches the largest fish (by weight) of the year. Ties for individual tournaments or "end of year" Lunker will be split between the winners.

- a) **To be eligible for the 'end of year' cash award, members must participate in the 'Lunker Pot' for every tournament that they fish and fish in at least 70% of the clubs tournaments.**
- b) The "Lunker Pot" will be administered by the Tournament Director. A Lunker Pot 'statement' will be provided for the membership at each meeting.

Section 5-10: Awards

At the conclusion of the tournament season, awards will be presented to the members who achieve the following accomplishments: Tournament Winner, Mr. Bass, Heavy Stringer and Lunker. The following is a description of each accomplishment and the award to be issued:

- a) Tournament Winner: Each member who wins an individual tournament will be provided with an engraved plate that indicates the location, date and weight of the event. When required, the club will procure the perpetual plaque for its member(s).
- b) Mr. Bass: The member who achieves the highest "point total" for the tournament season will be awarded a Mr. Bass plaque or trophy, as well as a check in the amount of \$100. Mr. Bass will also be awarded the Club's perpetual plaque with an engraved plate for safekeeping until it is handed off to the next year's Mr. Bass. The club will pay the "entry fee" for the member who fishes in the Mr. Bass tournament.
- c) Heavy Stringer: The member who catches the largest "stringer" of the day for the tournament year (by weight) will be awarded a plaque or trophy.
- d) Lunker: The member who catches the largest (by weight) fish of the year will be awarded a plaque or trophy.
- e) 2nd & 3rd Place: A trophy or plaque will be awarded to the members who complete the tournament season in 2nd and 3rd place. If the club has an active membership roster of 10 or less, only the 2nd place position will be awarded.
- f) Awards will be administered by the previous years' tournament director.

CRABTOWNE BASSMASTERS

ARTICLE 6 – Standing Rules

- a) All expenditures over \$50.00 must be voted on and approved by club members prior to payment.
- b) The club President is authorized to approve or incur expenses up to \$50.
- c) Non-boater and Boater will share expenses of fishing trips equally.
- d) There will be a three (3) member grievance committee, made up of the President, Vice President and Tournament Chairman, that will decide appeals of club members toward any rule judgment against them. In the event that the grieving member is one of the committee members, the secretary or treasurer will sit in on the committee in his place.
- e) With a quorum (50% of membership) present, a simple majority vote of members present during regularly scheduled meeting is required to elect officers and to conduct Club business.
- f) Boats used for club tournaments must be approved by the membership.

CRABTOWNE BASSMASTERS

Article 7 – Changes to Bylaws

- a) The Club Charter and Bylaws will be reviewed on a yearly basis.
- b) Updates and changes will approved by a majority vote of the membership.
- c) Proposed changes should be submitted for review during the in December meeting.
- d) Final ratification by majority vote should occur no later than March of the following year.
- e) Changes can be made during the year provided the President and the Vice President agree to 'motion' a membership vote. A majority vote will 'approve' the changes/updates.
